# WANDERBUS HISTORY

- Wanderbus has operated since 1989 and is run entirely by volunteers, both from a driver and management aspect.
- It provides bus services to those rural communities where other services are limited or there is no service at all.
- It operates in the same way as regular contracted bus services on fixed, weekday routes and the services are open to be used by all the general public whether paying for a fare or using a concessionary travel pass.
- Destinations are selected to include Towns and Shopping Centres that are off normal routes or require several changes of bus to reach them.
- Our buses remain at the destination point and will ensure every passenger is included on the return journey. We never leave anyone behind unless they choose a one-way trip.
- Wanderbus plans routes to try to include as many rural areas as possible and to offer a variety of service destinations. However, it cannot, of course, cover every village/town with every route/destination.
- Wanderbus relies on passenger numbers/usage to fund its operation, so please consider all the routes on offer and **COME JOIN THE WANDERBUS**. It is a very social and friendly transport service!
